

## Our visit to the Brae Monday 4<sup>th</sup> July 2011

We sponsor one of the horses at The Brae Riding for the Disabled his name is Blue. We were invited to visit Blue at the Brae and had some great fun!

We played a game with the horses and had to ride around the outside of the square and then jump into the middle and pick one of the items up.

We then shared with our friends what we had picked.

We coloured in some pictures to go on the pony wall.

We were given a tour of the stables and were able to get close to Blue and give him a clap.

We had a little snack and a drink of juice.

It was a really good day!
